“ There is not enough words that can express how much I love my cousin Patti and oh my my, Dean Bell. The laughter we shared on that front porch will always stay in my heart. To the family, you are suffering from the emptiness that will remain for years to come. May I tell you that Dean was the kindest, humorous, big hearted individual that I've ever had the pleasure to call my friend..Patti and all of you have to look up to the Heavens and know he is in God's arms and he has no more suffering. Praise God

My love is with you Patti, and all the family

Phil 4: We can do all things through Christ who strengthens us. Amen. Love, Sandra

“ I didn't have the pleasure of knowing you very long, but will never forget your kind heart and sweet spirit. You and Patti were so good to our family when we lost Wilbur. While my schedule is crazy and doesn't allow much time to visit with friends, I truly consider you and Patti treasured friends. You will be forever loved and missed by many. May God wrap his arms around Patti and help her find peace in the wonderful memories she shared with you.

“ Brother I love you so much, will miss our talks, visits ,and the deep love we shared. Only God can help heal my broken heart. Watch over us all until God calls each of us home to be with him. Gone from your earthly home but never forgotten. You will always be in our thoughts forever. I love you.

“ Cheryl, Robert and Extended Family,

Know that you all are in our thoughts and prayers. Kim was just saying that your dad was always so nice to her whenever she came over and how much she thought of him and your mom. He always made her feel welcome when she was there. We have always loved the Bell Family and we want our friendship to carry on. Keep in touch.

Love,
