“ Dearest Sue,

Ron happened to tune into the NASCAR race at Watkins Glen and I fondly remembered you and Gary taking us there years ago. I felt the urge to connect to my good friend from SUNYA and went on line to find your phone # when we ran across Gary's Obit. I was shocked and am so sorry for the great loss of your best friend and love!

I'm not sure of where you are living now or how else to get in contact with you, so I am leaving my phone: 765 662-6491 or etrautvetter@indy.rr.com. I would love to hear from you . . . My love to Suzi and ME and the rest of your family.

Love, hugs and prayers,

“ I have many happy memories sharing the good times at Fur, Fin, & Feathers sportman's club. Gary was an avid shooter and active in the administration of the club going thru the chairs and serving as President. His good humor and jovial personality made him friends with everyone. He was successful in his various careers and I think he really loved his last one--the Farm Market on the lake! We will sorely miss him and my sincere sympathies go out to Sue and the girls and all the families.
