“ There are no words to express Brother how much I love you and miss you so much already. If I could only talk to you one more time! Thank you for all the times you have help me and you were the best brother a sister could ask for. None of us were perfect but everyone loved you and the way you made them smile and laugh. I will always remember all the memories we had growing up and you will be forever in my thoughts and heart ! I love you brother so much !
