“ I am sorry to note the passing of Mary Leland. I just found out about it today (Aug 12, 2016). I will always remember her from out times at Nazareth Presbyterian for Sunday School, church, and many church parties. I would have loved to have attended her funeral but didn't realize she had passed away. I always liked Mary Leland and all the Berry family. My condolences to Becky, Robert, and Amelia.

“ So sorry to hear of Mary Leland's passing. As first cousins I remember the visits we used to make to South Carolina when we were growing up. My sister Carolyn and I would sometimes stay several days and I have many good memories of fun times spent at Silver Lake beach and playing at the old house with Mary Leland and Becky. We will keep all of you in our prayers.

“ Mary Leland was, as Becky and Sissy and Robert know one of my dearest friends while we were growing up. She and I have so many friend memories I would have no way to know where to start. Mary Leland was true to all her friends and could always be counted on if you called. Although we hadn't seen each other in several years it wouldn't have mattered, because when we would see each other it was like as if we had seen each other everyday, I will always remember her style, charm and poise, if there is a true Southern Belle, Mary Leland is one of the nicest. I will miss my friend, God Speed.
