“ Johnny and Rose, I always remember your mother's smile when I would come over when we were in school. Later when she and Mr. Poole became clients of mine she still was up beat, full of life and enjoy to be around and had a smile. She was a joy and fun to be around and talk to. I am praying for you. My wife's favorite verse was--I can do all things through Christ--.Know you and your families are in my thoughts and prayers..
