“ You are a hero! A great father any child could've wished for that is why Mikey loves being around you and your son, Nathan. My family and I have nothing to say besides "Thank you!". You are the inspiration for Mikey's vision to start a new life. You are a great father not only to your children but to Mikey whom you inspires greatly. You are an angel and you will return to heaven an angel. Please rest in peace because your mission here on earth is done. May heavenly father embrace you with open arms!
