

Aaron Michael Barrett

October 17, 1994 - April 29, 2015

Spartanburg, SC- Aaron Michael Barrett, 20 of Spartanburg, SC went home to be with the Lord Wednesday the 29th of April, 2015. Aaron was the son of Paula Barrett-Price and Donald Price.

Aaron was a young man entering the prime of his life. He was strong and courageous, over coming illnesses that would have crippled a man of lesser spirit. He was a gentle soul, with a place in his heart for all of God's creatures. Aaron was an artist with a passion for drawing and sculpting. He was witty and creative. Aaron's personality was not one that will be simply forgotten. He was a helping hand when you needed him, your smile when you could only frown, and a light in the darkness that sometimes is life. He loved to laugh and it was contagious. He will be forever missed but never forgotten.
