“ *My baby brother was such an intelligent kid. He did so many unbelievable things. He once rigged a wagon to a lawnmower and hooked up a speaker system to the wagon. He drove it up and down the road listening to music. We were all in disbelief. 😭*

*My dear Aaron Boy, your Aunt Debbie loves you so much! I remember that time when you were about 5yrs old you game knocking on my back door and you got so upset with me for not letting you come in. What you said as you ran from my place to yours, "You break my life!" A part of me didn't want to even say it. I only said it because it is a story you always loved to hear. You were always over hanging out with me, both times I lived down there. I love you, and you are missed by all of your family.*
