“ Dear Melanie and Carla,

Moe and I are so sorry for the passing of your Mother. I have many memories of Maurice while in Kingstree, SC, when she was married to my big brother, James. Meanie I remember visiting with you and your parents when you were just a toddler and living in the mobile home surrounded by pine trees. Your Grandmother Musselwhite and I visited for the day and I brought you a small sundress I had made for you. I put pockets on the front of the sundress and you tried to see how many things you could get into the pockets. Memories last a life time and can never be taken away. Our thoughts and prayers were with you even though we were not able to be there.

Love,

Tom "Moe" and JoAnn

“ Dear Melanie and Carla,
We are sorry for the passing of Aunt Maurice, “Reeci,” but certainly she has been relieved of the suffering of her illnesses and achieved the grace of Heaven. My mother, Louise, had a special fondness for her younger sister, Reeci. As a youngster, I remember Aunt Reeci as a thoughtful, kind, friendly, generous young woman who we saw when my sister Trish and I visited Grandmother Singley. I can never forget that she secretly mailed me a toy flintlock pistol from a cereal box ad when my request to my parents had been declined. In recent years we communicated with Christmas cards and family photos. She will be missed.
Love, John and Kathy
