“ *Andrea we went way back. It's shocking to learn about your passing and it kills me to know our last words to each other were not the best. I hope you knew how much I cared about you and how sorry I was for not helping you more. LiL B you were something special and this place will never be quite the same without you. I'll always remember you and all the times you and I battled our demons together. I pray I'll see you again..... And to her family I'm sorry for your loss. My heart broke when I heard what happened. My deepest condolences to you all.*

Karen Betz - August 11, 2019 at 11:39 PM

You were more lived than you ever could have imagined. My peace is only in knowing you are finally at peace. No more hurts, no more broken hearts, no more tears, no more disappointments, no more not being able to see your precious boys because it won't be long and we will be together forever and we will never said goodbye ever again. Love beyond description is what you are living in. You are loved and missed more that you could have ever imagined. I always just wanted the very best for you. There is nothing better than knowing my precious baby girl is in heaven. This is not good bye baby, this is just I'll see you and your boys and your family will be seeing you later. We, the ones left behind, are the ones that are still on our journey to get where you reside for eternity. I love you with all my heart and I always will.

Maddie I just saw your post and it touched my heart so deeply. You & Andrea had a special bond. She LOVED YOU, CAM & RILEY. It was a great loss yep her when y'all moved. You dad txtd me. I wish she could still be there for you sweetheart but I know she5 wouldn't come back if she could. She was not killed instantly. She made heaven. I'm so thankful she can't be hurt anymore. She wasn't getting to see Rhylan or Lohgan and that was tearing her heart out. She always wanted someone who truly loved her and get her boys back and have a home. But I'm at peace bc she's at peace and wouldn't come back if she could. She was BEAUTIFUL in this casket. My cousin, Karen, that does my hair did Andrea's hair and I did her make up. Lohgan was the last person to talk to her and Rhylan got to see her last yesterday with me at the Mortuary. I have pics of her. Lohgan picked out her clothes & the boys picked out the flowers they wanted forher spray. In her hands were 1 white rite from Lohgan & 1 pink rose from Rhylan. They both are so pitiful. And Fonda and her kids are having a awful hard time. I'm having to be strong for them but I have my times in private. Andrew had a tattoo on his heart with a large rose at the top and a clock underneath the rose. He had the time she was pronounced on the clock. Her songs wereher favorite Christian song Oceans (Hillsong United), Sad Song (We The Kings) Rhylan's song to her and Lohgan months back when he wasn't seeing them. Dancing in the Sky (Dani & Lizzy) Kalyn found bc we all love to dance & it describes her, & outside the ER Sptbg Reg Fonda was flashing her lights at me so i stopped. She ran to my car and said put your reap on 89.3, I said it is. She said turn it up so i did. Well Done (The Afters) She lifted her hands in the air at 4am praising God and I was praising God in my car. We had never heard that song before. Look for those songs on YouTube and read the lyrics. Txt me before you call me 2morrow afternoon or night so I'll know it's you. I have much to share with you sweet young lady. I love you. Thank you so much sweetie

“ I knew I had a brother, but only after long years we got in contact. It turned out he was married and so I suddenly had two beautiful nieces. I was so proud...now I am so sad and shocked! I had not the chance to meet Andrea, but she will always have a place in my heart. Still hard to believe, what happened...it is hard to find words...

Michael she had an accident in her "new" SUV. She was so happy about moving forward in her life. I have not been to the crash site, but it appears she over corrected, missed a mailbox and head on into a large tree. Her death was attributed to her heart torn apart. External injuries were minimal. Keep us in your prayers. We send love, kisses and Lion's Hugs
