“ *My deepest condolences to Andy's Family
Called this Man my friend for at least 30 years, loved him since the day I met him. A great & gentile man, we shared many problems, but more laughter. Worked with him & bowled with him. He always had me laughing, seems like yesterday, I can vison him with his tool belt on, walking with a grin on his face. He could fix anything, worked on my car many times. Haven't seen him in years, but; he still kept me laughing on Facebook. Rest in peace my dear friend, you will always live in my memory*
