“ Dear Ellen and family,  
Jim and I want you to know how very sorry we are for your loss. Walden was always so welcoming and kind when we joined the church years ago. He will be sorely missed in the Fairforest community, and we are so glad that our sons got to grow up with your children in the same church and schools. Your family is a wonderful example of Christian living for all to follow. We will be praying for you in the coming days.  
God bless you.  
Love, Jim and Betty Harrell

“ Dear Mrs. Lacey and all of family,  
Larry and I had just found out about Mr. Lacey's recent passing and were out-of-town in Charleston getting my regular treatment of a required medical infusion. Since Larry and I could not personally tell you, we both wanted you to know how much we send our sympathy for your tragic loss and do love and admire all of you! Our years serving the Lord together in an earlier church will always be remembered. Pastor Gary Hensley and all of you are blessed by God! I know heaven is smiling as he is free from any pain or worries of this world!! I always thought he had such a sweet smile and encouraging word for me as I played the organ there years ago. My Daddy was a Marine surviving Iwo Jima, and I am sure the military service was beautiful for Mr. Lacey with honors from his dedicated life! Just know that we love you all and are praying for you now!! In Jesus our Lord's blessings, Cathy and Larry Webber

“ I will always remember after my wife passed that Walden invited me down to his farm. He took me on the grand tour and spoke of his love and admiration of my grandfather, “Mr Wren”. His wife sat on the same pew with me and made me feel welcome while looking for a “new friend” for me! Both are fine people and will be missed. Don Taylor
