“ *I didn't know her that well, but our family does. What I do know is that she was always ready to laugh, have fun, and a joy to be around. She loved her family, and friends, and was always ready to help anyone who needed it.*
My condolences to her family and friends. The world is truly a lesser place without her in it.

Susan Hanscomb - April 21, 2021 at 01:12 PM

I worked with Angie she was such a good person she would pass and stop and say you look like you need a hug. And she was there for me when my husband passed away it won't be the same without her
