“ Since I learned of Ann's passing I find myself thinking of you and your family and how much we will miss her. I'm comforted because I'm one of the lucky ones whose life was touched by this very special woman. I join you and many others who will miss her but I remain grateful still for having her as a very good friend. You are in my thoughts and prayers.

*I am very much saddened to hear of Ann's passing. She and I were 2nd cousins. Seems only yesterday that we were kids together even though I was 6 years older. Time passes only too swiftly. I have many good memories of Ann. May God comfort your hearts by His love and presence.*
