

## Anthony Ray Guffey

July 3, 1980 - May 1, 2024

Inman, SC – Anthony Ray Guffey, 43, passed away at home on May 1, 2024. Anthony was the son of the late Robert David Guffey, Jr. and Teresa Crawford Guffey. He was the loving husband of Amber Tinsley Guffey for 9.5 years. Anthony was born in Rutherford, NC and was one of two children. He and his brother were very best friends and remained close throughout life. Anthony was an inspiration and role model for his two sons and strived to create a wonderful life for his family. He was extremely intelligent and enjoyed spending time feeding his hunger for knowledge by reading many books; including books and memoirs relating to Greek and Roman history. Anthony received his Associates Degree from Greenville Technical College and was attending USC Upstate for his Bachelors Degree in Neuropsychology. He successfully completed the Honors Program at GTC and achieved both the President's List and Dean's List. Anthony loved soaking up time with family, hiking in the mountains, and especially loved his very best four-legged friend, Wendigo. He has touched many lives, advocated for mental health, set a precedent for his children, and leaves behind a tremendous legacy. In addition to his wife, he is survived by his children, Darrian Guffey and Jared Guffey; his brother, Robert Guffey III (Gina); his fur-baby, Wendigo; and many other loved family and friends. The family will honor Anthony's life in a private ceremony.

“ I am so lucky to have had Anthony in my life. Amber chose a great man that’s for sure. He really was like a father to me, but certainly a brother at the same time as well. So thankful for the summers I got to spend with him where we shared plenty of knowledge, but also plenty of mischief.

My favorite memory by far was seeing Anthony gift Amber a star for her birthday. It showed me exactly the type of man Anthony is and the type of man I ultimately strive to be as well. Ambitious, thoughtful, loves his wife, an outside of the box thinker, and just a flat out nerd.

Love you miss you, my man.

*“ Amber, we are so very sorry for your loss. We met two lifelong friends on that cruise several years ago. Anthony was a great guy and a great friend the times we were able to get together. He always put his best foot forward and worked so hard to overcome so much. He will be missed. Keeping each of you in our thoughts and prayers.*
