“ I miss you daddy... cults require blood... Jesus had to die... why must faith take blood? I blame religion. All cults by definition.. I have faith in me.. I am gonna save Jesus Daddy. Let Mary know her voice is in me. No longer silent

“Daddy loved to tell the story of how he took me to see petes dragon when I was 3. When he became bedridden, I bought a copy of petes dragon, the original, made popcorn and had his favorite candy, junior mints, and soda, I sat beside him and told him we were going to the movies. I sat beside him and we watched petes dragon just like when I was 3 years old. That was very special for me. Daddy was always there for me, and I was there for him even in his final moments. I love you daddy. Our hearts will be forever linked.

I loved this man more than anyone in this world. There are no words to express how he will be missed. I have fought for him and with him but there was never any time that I never loved him. I love you Kneale I pray for your kids and wife to get though this and be strong for one another. I love you all
