“ today I listened to several tapes, this one testimonies of the graduates after the two year course and the Bible College (Joseph Carroll)...I heard the precious words of daughter, Emily, and the brief (all were very brief) one from and by Barbara. We were friends "left behind" in Memphis, members of First Evangelical Church, and friends of the Bryans. What a commitment they all made...leaving Jim's job, their family (extended), their church, their schools, their friends, their house and home and just committed their lives to the Lord Jesus. I used to play tennis often with Jim, sometimes we just hit a lot of balls, and he would tell me to not apologize so much! Barbara was a runner then and I am sure she took that with her. Such a fine family and such a powerful man, Mr. Carroll, who founded the institute. He used to preach often at First Evan. Well, I miss all the Bryans as I write this...and did not know she went to Heaven where my wife, Mary Alice, has been for a dozen years. My heart goes out to those left behind...Jim and the kids and grandchildren I think...we had a soup supper at the home of the Ross and Carolyn Campbell's house one evening honoring and welcoming them back to Memphis. I lost contact...did they return to Greenville...I assume so. Barbara was special! In Christ, John Brommer

My name is Cindy Dupree, I worked with Barbara at the Navy Yard in Washington DC. Barbara was a loving and giving person. We talked about everything ups and downs in life family etc. She loved her family very much. When Barbara left Maryland she gave a lot of dog figurines that I still have today. I thank God for Barbara and I know that she is missed dearly. Thank you for having a wonderful mother daughter, sister and grandmother. Til we meet again

“ I became one of Barbara's care givers and we became good friends. We had a lit if laughs trying to get her thru the racks of clothing at Hamricks. We enjoyed getting a hotdog at QT, going thru the Dollar Tree. I enjoyed the time I got to spend with her and will truly miss her quirky sense of humor, how she made me crazy with her eating, or should I say non-eating habits, sharing a movie with her, and just our chats. I know she is now pain free but I miss her.

To the family of Barbara James, I will always miss my dear friend and neighbor. We became sisters from different parents, but our heartfelt love will always stay with me forever. Rest in peace my friend. Your sister and neighbor Rhonda Alexander. Montgomery, Alabama.

“ Ms. Barbara was our neighbor for 10+ years. We loved her and thought the world of her. Our son Chandler watched out for her when she was living across the street from us. Chandler thought the world of Ms. Barbara. She always made a point to see us at church and keep up with Chandler during his illness and transplant. She love the Lord and was a true testament to the Good Lord. She will be missed greatly.

“ Barbara and I had a special relationship as there is only two years between us. We shared a bedroom until we both left home. I will miss calling her to say “Do you remember” and she did remember things from our young life. I will truly miss her so much.
