“ *He was an amazing man of God, I've known him side 2019 and he always made me feel welcome. Anytime you asked him to pray for you, you knew he would. He was a great friend and the best man in our wedding. He said an amazing prayer the day of our marriage that we'll never forget. He will truly be missed. Our prayers are with the whole family and friends.*

“ Brandon was truly anointed! He shared with me that I carried the spirit of rejection. But always know, it wasn't me they rejected. It was the God IN ME that people rejected and continue walking in HIS Light. This man spoke volumes without even knowing it. He allowed God to use Him in miraculous ways. He will always live on in the lives of every person's life he touched!

Brandon was the sweetest, kindest, soft spoken man that I've ever had the blessing of knowing. He was so kind to everyone, not just one person. He was filled with the Holy Ghost and the closest person to resembling our Lord and Savior, Jesus Christ. He will be so missed by everyone, especially his beautiful wife, Treyci! We love you too Treyci!

“ *Brandon and I went to our senior prom together. We were just friends but I loved him for the compassionate person he was. He was always so friendly and easy to talk to. I have so many memories of him. I remember when he was trying to teach me how to drive a manual shift and I just kept making it jump. We laughed about that one for a long time. We had a lot of other memories. Prayers and hugs to all of his loved ones. Rest easy my friend*

“ *To me, Brandon was and is a friend, a brother, a mentor, a pastor, and the God Father to my children. We are constantly taught and told to live like Jesus. Brandon was and is the perfect representation of living like Jesus. I'll never forget the impact he made on me, my wife, and kids. We love you Brandon. Can't wait to see you again!*

“ *Some people leave an impression on everyone they meet. Those are the people you think of and smile. That was Brandon. He was loved by many, and as much as it feels like a loss, it's a blessing to have that smiling face waiting for us at the finish line.* ”
