“ If there were a picture in the dictionary next to the words “Prayer warrior” Brian’s picture would be there! He was always praying for me & my family and so many other people and he touched so many people’s lives just by being the hands and feet of Jesus! I will always remember that big smile on his face when he served in the cafe at Lifesong Church and now every time my daughter and I serve in that same cafe, we will smile just like Brian! He will be missed dearly but his legacy will always live on!
