“ *Brooke and I shared 4 years of the same high school where we just knew of each other. Later, God put me in a place at Lake Bowen Baptist Church Childcare for 5 years which gave me the opportunity to teach BOTH of her beautiful children. With that opportunity, Brooke and I became closer and we're able to talk about the kids, personal lives, share text messages, and attempt to make plans to get the kids together to play. Her smile completely lit up the room. She loved her kids with all her heart. I know they will miss her dearly. I pray for her family, Dawson and Taylor, and Jimmy. I hope they find comfort in knowing that even though we don't always understand, God never makes a mistake. He needed Brooke to be His angel. I hope with every sunrise, Dawson and Taylor can think that beautiful light is the light of there mothers smile. We love you Brooke.*

“ Brooke was a beautiful and brilliant young woman. I am so fortunate to have met and known her. I enjoyed many conversations with her. She was a loving, kind-hearted young woman. She adored her beautiful children and poured herself into them. I watched her love them. I watched her tenderly care for them. Dawson and Taylor were her joy! I will miss seeing her so much! 2 Corinthians 5:8 says - " to be absent from the body and to be at home with the Lord." Today you are home with the Lord. May your smile light up heaven as it has lit up our life and the After School Program at Lake Bowen Baptist Church. You will be missed.
