“ *Dear Sheila: I only found out Monday night. I am at a total loss for words. Bruce and I were friends for more than 45 years. He was THE BEST boss I ever had and one of the best friends I ever had. He was quite a character, for sure. One of the hardest decisions I ever had to make was leaving Sky City to go to work for JP Stevens and Co. Even then, I went back and worked for Bruce on the weekends. I never had anyone trust me to the depth that Bruce did. I never experienced that again in my professional nor personal life. My one regret is that we didn't make the time to stay in touch. You are in my thoughts and prayers. Please know you both are very special people in my life. Gary Rogers*
