“ Eddie and family, I only met your father once, when I came over to your house. We all met in upward bound, when we stayed at Wofford College. I remember how loving a family you had, and I still have the recipe that your mom gave me for the Japanese pie. My heartfelt sympathies to you and your family. He is with his savior and family that had left before him, and they are celebrating. May your love for your family and the Lord speed your grief. Rejoice, as he is in a better place than us, and is free from pain and sickness. L92K##imported-begin##Cindy Hobbs Blackwell##imported-end##

“ *My family's deepest sympathies to the family. May the Lord wrap His everlasting arms of comfort and peace around each of you at this time.*

Carl was a special man to us Republicans. He was a faithful precinct officer. I remember his coming to meetings and conventions, and participating as often as he could in events and campaigns. We especially enjoyed his riding in the Veteran's Day Parade with us this year. On our Facebook page, I have a picture of him riding in the parade. That will be a special memory to me.##imported-begin##LaDonna Ryggs##imported-end##
