So sorry Amy for your loss and the malone family! We never know when it's our time but God created each of us and knows the time and day! I know Carlos felt no pain because it's usually instant ! I know I had a aneurysm in 2007 but was not my time but I prayed for God to take me home because the pain in face skull is so I'm bearable! I still have those headaches trouble with my memory! Losing a loved one is hard but earth is temporary home and heaven permanent home if you have believed accepted Jesus Christ ! My prayers are with you and family ! ❤️🙏
