“ *So sorry ! Words can't express the sadness I feel for all of you. I loved Carolyn and I will miss her so much . She was my phone buddy . My person to go to when I needed to vent! She was a good person . She cared ! I wish we had more time . I wasn't through talking to her .I'm going to always feel a void in my heart when I think of her but at the same time It gives me peace to know that she is home with her Lord and not suffering any more.I pray that God will bring you peace and comfort durning the weeks and months ahead.*
