“ *Carroll was my first baseball coach and quite possibly my favorite. He coached my tee ball team (circa 1970) and did not have a son or relative on the team...just did it out of love for baseball and kids. Last year he called me (I live in WA state) to inform me he'd entered hospice care and that my nephew was his nurse. I very much enjoyed catching up. He could recall all the players names on that team some fifty years later! What a great guy and a follower of Jesus.
Thanks Coach!*
