“ Chuck and I worked together for many years in the LG Structural Department. Chuck taught me patience and kindness on a daily basis. We went on many trips together and he was the same kind and thoughtful person throughout his career. I am very sorry to hear of his passing and will continue to keep him and the family in my thoughts and prayers.

“ Charles and I were best friends while growing up together in the same neighborhood. We did everything together even getting into a lot of mischief. We were close friends up until we graduated and I went to college and he joined the Airforce. We did see each occasionally, usually at church. He was the one who got me going to New Pisgah and I have never left. Charles was a good friend and a fine fellow.

Glenda, I did not know Chuck personally, but listened to the service on line. You had a wonderful Godly family. Your 2 sons did a super job conducting the funeral. All the things said about Chuck by your boys told what a wonderful person he was. My thoughts and prayers will be you.
