“ Dear Michael, Kenneth, Daniel and family,

My husband and I had the great fortune of meeting your parents in June of 2010 when we became their lake neighbors. Almost every day in the late afternoon that year, Chuck, Gayle and Hank (their dog) would pick us up and take us for a boat ride. We had the best times, laughing, joking, sharing stories while enjoying Gayle's chatter and Chuck very dry humor.

Although we will miss your Dad, I know he is in heaven now with his beloved wife, Gayle.

Love and prayers,

Joanna and John Campbell

“ *To the Family. I am a member of American Legion Post 45 of Inman. I first enjoyed Charles Trombone playing at a Memorial Day service on Main St in Inman in 2016 when I first came to this area. Saw him a few more times at the Post when there was a veteran dinner or a meeting. He has been a member of the American Legion since 2000 with some years not active. Came to our Post 7 yrs ago. As I do what I need to do as Post Adjutant for records my heart goes out to the family. May you find peace as the torch of his life lived well and dedicated to our Country now passes. I hope he told you his story of his service to our country so that it is not forgotten. May God bless you all at this time.*
