“ Jackie,  
I am so sorry to learn of this. As you know, I worshiped Hamer. He was an idol growing up. He was like a big brother. Things that he would do- he would go to the “ company store” and get a drink. I never had any money and without asking, he would buy me one. There are many of these fond memories. That was why I wore number 15 on my uniforms. God , I worship him. Sadly, I have not kept in touch with you and your kids all these years. I am ashamed of this.  
However, I have thought of you many times. God be with you and yours during this time.
