“ I looked in the paper today to see a familiar face. I'm sorry for your loss. Your Dad was always good to me. I'm sure he wanted to kill me a couple of times though. I ran into him a few times over the years. We were always glad to see each other. One of my best memories of him was he would use gasoline to start the grill instead of kerosene. The burgers still tasted good. I know he'll be missed. Hey Ashley!###imported-begin##Todd Thorne###imported-end##
