“ Mike will be missed by many but we know he's in God's presence. I played many games of racquetball with and against Mike over the years as well playing in several tournaments with him. He was the best stringer of racquets I've ever seen and a very good friend. I pray Gods blessings on his family as they get on with life without Mike but they should know he's always with them in their hearts.
God Bless
Joe
