“ *Not many smiles can light up a room like Christine's. Serving and worshiping along side her has been a privilege and an honor. I will miss the smiles and the hugs on Sunday mornings. But Thank God we know without a doubt she is standing at the foot of the father and we will only be separated for a short time. Tim, we love you brother and are here for you and your family. We will be praying for you*

“ I will always remember her beautiful smile and bubbly personality. She was such a servant to the Lord and her family. I saw her just a few months ago when we were both coming out of the Prisma Health Cancer Center. I always looked forward to every Sunday evening at Tim and Christine's home for small group before she became ill. You will be dearly missed , I know you are with Jesus and pain free.

My deepest condolences to the family. Christine was my best friend and we shared so much. She always knew how to make one laugh even while enduring her own struggles. Although she may be with the Lord, we have all of our wonderful memories of her to keep us going! May she continue to make everyone laugh up in Heaven as she did here on earth. All my love to the family.
