

Cindy L Montecinos

February 15, 1959 - March 11, 2025

Boiling Springs, SC – Cindy L. Montecinos entered into Heaven on March 11, 2025. Cindy was the daughter of Gary Knight and the late Nancy Edwards Knight. She was the loving wife of 36 years to Robert Montecinos.

Born in Orange, California and raised in Buena Park, California, Cindy was one of four children. She enjoyed a simple but fulfilling life and blossomed into a beautiful, nurturing soul that everyone knew and loved. She had a genuine kind heart and found happiness in helping others. Cindy spent many years volunteering her time to directly help and work with families experiencing tragic losses. She always went above and beyond for those in need, but also found herself bringing joy to friends, family, and neighbors alike. Cindy naturally thought of others and would do anything she could to bring happiness to them. She also enjoyed crafting and made anything from extravagant wreaths to custom cards. She made her whole home a personal crafting area and often traveled to craft shows and events; selling many of her items in her Etsy shop. Cindy and her family found themselves in South Carolina and she truly loved the woodsy feel of her backyard and all the wildlife. She made South Carolina her home and, like her crafts, left a trail of love and glitter everywhere she went.

In addition to her husband and father, she is survived by her children, Ryan, Travis, Mike, Megan, Kevin, and Kyle; her grandchildren, Reider, Rory, Kennedy, Mae, Quinn, Von, and Ellie; her siblings, Greg, Mike, and Lorraine; and many other loved family and friends; as well as her oh, so cute cat, Hank.

In addition to her mother, she is preceded in death by her grandparents.

The family will have a private celebration of Cindy's life.

In lieu of flowers, donations may be made to a cancer research organization of your choice.

“ We were very close to our dear niece the first ten years of her life but then we moved away. We enjoyed visiting with her in recent years at my birthday and our Aunt’s birthday. She was a very happy, active and beautiful young girl. I know all will miss her very much. It’s so sad when we lose one so young. Our thoughts are with her family! ❤️

“ *I've known Cindy since kindergarten we went through junior high in high school and in junior high. Cindy and I ran track, her and I were the fastest girls in the league at La Palma junior high so much fun but Cindy was always my fastest runner and we had a team tag and we won all of the ribbons and then later on when we had our 40th high school reunion I got to see her again so much fun. We will certainly miss her and her beautiful crafts that she created. I have one over my kitchen that she made, we love you we'll see you again.*
