“ I will always remember Connie for her kind heart. Our visits during the holidays and family gatherings were some of the best. I could always count on her for an evening of laughter and a new recipe to add to the table. I love you Connie and will miss your beautiful smile, but I will always carry your memory in my heart. May the Lord wrap you in his arms and comfort you through eternity.

She was a great lady, everything I learned about dealing with very difficult people came from her. and being on rescue one. I would get excited and some times over react and she would start laughing and say calm down there is nothing more you can do , great job and she would always give her great big hugs, that hug was special. it let you know she cared very much and when you haven't seen her for a while she would get this great big smile and kiss you on the cheek because she was happy to see you God took a very special Lady home. Family, She will be waiting on you with that great big hug and Smile when you get there God Bless you all.
