“ I had the fortune of having Dakar as a student at NADC. I have got to know him even better after he started his career. Dakar has always been a great person to look up to and just a pleasure to be around. He will be missed by many including myself. I will always remember him and how great a person he was. RIP Dakar

“ *Dakar was a great mentor to me, not just from all the time he set aside his busy schedule to help teach me about BMW's but also what he instilled in me about life that I shall carry with me for the rest of mine. He was one of the hardest working individuals I've ever had the privilege to have known and one of the best to see the Brightside no matter what adversity lay before him. My Deepest Condolences, and May God Bless his family and friends!*

*Dear Kenny, I was so taken back by seeing Dakar's obit in yesterdays paper. My thoughts and prayers are with you and the entire family. Dakar was a great guy and heck of a football player. I always remember the time he hurt his knee and I had to load him up in my car. Keep the faith as he knowing that he is resting in heaven at peace with our Lord and Savior Jesus Christ. God Bless you and your family.
