“ *So sorry about our friend and cousin. He was always full of laughs. Especially the time our friends thought they were setting us up for a blind date about 20 years ago! When we saw each other we hugged our friends were very surprised when we said Oh yeah we have known each other for many years! Since we are cousins you know. We laughed all evening. Prayers for the family.
RIP Buddy.

“ There are so many wonderful memories of Danny it's hard to pick one. One was a cold winter night and it was snowing in Asheville and he came to Momma's and he, Momma, me, his cousin Kathy Worthy and our friend Cathy got in his car without heat wrapped up in blankets and went to see the snow. We had blisters on our toes because we put them so close to the heater in the floor to get warm. I know this sounds crazy but we loved it. The many Sunday afternoons riding in his orange Camaro getting cherry cokes at the steeple drive in. Danny thank you for all the fun and wonderful memories . You were truly loved and will be missed. My prayers 🙏 are with the family. Love you all.
