“ I hired David as an intern after graduating from USC College of Pharmacy. He had a great personality. We had many wonderful days working together and fishing together. My career ended with Revco in 1987 and I moved to Columbia, so my contact with David was not the same over these past years but we did stay in touch. I feel blessed to have been friends with David. My deepest sympathy to his family, Bob Travis

“ Thoughts, prayers and sympathy to all David's family. I knew David for many years working at the same companies (Revco and then CVS). He was always a lot of fun to be around and always had something witty to say when talking with others. He will be missed.
