“ *I remember his laugh and how he'd tease my dad and the rest of the family (good-naturedly). He was also a wealth of information about my dad when he was younger. I remember him telling jokes the most though. He was very funny!*

“ *He liked to play jokes and his laughter was one of a kind. I don't remember him ever having anything bad to say. He loved Mash and notary documentaries and could be found watching often. He was a good man, husband and father. I'll never forget when he took a dazed squirrel I rescued to the vet but it got out of the cage in the car lol. He told that story and we couldn't breathe we were laughing so hard.*
