Anne, we love you and Dave so much. Our prayers include you during this time. My favorite memory of him is of him teaching me how to talk with God by listening to him pray over our church family needs on Wednesday nights. He had a special way of mentioning every single request. We have missed you both so much! I pray for God to comfort you through your loss.

“ Dear Anne and your family,
I'm very saddened to hear of your loss. Dave was always such a special part of our Miller Family Reunions. His laughter and sense of humor were such a wonderful addition to our fun-loving group. His words of faith as he led our pre-dinner prayer were always a poignant reminder of how blessed we are to have each other and the love we share. It's with love that we mourn his passing, and with love we remember how much he added to all of our lives.
With Greatest Sympathy,
Jim Weaver
