“ *Dear Shirley and Family,
I was so saddened to learn of DW's passing. Bruce called last night to tell me. I am sorry we have lost touch over the years. I remember seeing DW last at Fort Hill one weekend we were there for family camp and he was there with a group from Midwestern. It was great getting a chance to catch up. I look back on the days at OVC with many fond and happy memories. I want you to know you are in our thoughts and prayers.*

“ Dear Shirley and family,
I am truly sorry for your loss. DW was such a wonderful and
humorous guy. I loved his ideas and jokes. He always had a smile
even when I knew he was hurting. I will miss him dearly. I love you
all very much. You are part of my family at SECH and I treasure you
all. If there is anything I can do to make it a little easier please let
me know.
With deepest sympathy from your friend and sister in Christ,

“ Dear Shirley and family,

We are with you in our thoughts and prayers in your loss of DW in this life.

It has always been a joy to visit with you and DW on trips to Duncan. I know that your love for him sustained him through his long journey of ill health.

DW always made a visit with him interesting and encouraging. I loved talking with him. We made a connection in the humor we shared and the wide range of topics we discussed.

I know your children and grandchildren will be a strength and blessing to you during this time.

God bless you,
