“ *I knew Don as Paw my Grandfather the greatest man I've ever known. He didn't have to raise me but took it on with a smile I am the man that I am today because of him. And I vow through me he will live on he taught me every skill he could and because of this there is nothing I can't learn to. I remember he always said no one just up and knows how to do anything they have to learn. He will forever be my mentor. I owe everything I am today to Donald H Helms the Greatest man I've ever known it was a honor and a privilege to be his grandson.*

“ *Don was such a sweet soul. He had a loving heart and was a good Christian man. I know he is rejoicing as he walks over the River Jordan! We will miss his beautiful smile and the stories he told. One day we will meet him again and he will have more stories to tell!*
