“ *Words cannot express how much I loved Donna Jean Skinner. I have been friends with all of the Skinners for as long as I can remember. One way to describe this precious lady is she was always a ray of sunshine on even some of the darkest days. She will always be my second mama and until we all laugh again together she will be missed so very much! Much love to David, Dena, and Reuben
Prayers will continue and I'm here for all of y'all.*

“ *I will miss sweet Donna and her beautiful smile. I looked forward to my visits with her, because she had a smile to brighten my day with each visit, and I was always made to feel like family. I know she is so thankful to have been cared for so well by her devoted daughter and husband. You went above and beyond in your care and love for her. It was such a pleasure to have her as a patient and friend, and I will miss her terribly. However, I know she is now completely healed and has no pain. She's probably rejoicing, grinning with her big smile, and dancing with Dwain! I love you all and pray for your comfort as you navigate through your loss. Know I'm here if you need anything. Love, Lawson.*

“ The best words I can say of Donna are expressed in God's word Proverbs 31:10-31. She and David have been close friends for many years.

“ Dena, it was an honor to care for and serve your mother, as well as your family. I will always treasure the time, I spend with you all. The laughter and the tears. Donna was very loving and always had a smile on her face! If I was having a tough day, I would always look forward to her smile and laughter.. it would always melt away those feelings,when I came over and seen Donna. Dena you were a wonderful and dedicated caregiver to your mother. The way you loved and honored your mother was beautiful. I thank you again for the time I was given to care for your mother and the friends I gained along the way. I love you all.

“ Prayers for you and your family ❤️
Your mom had a beautiful laugh that made everyone smile around her. My mom loved playing bridge with her and always spoke about what a joy she was to be around and always fun. She was always laughing and causing laughter!
She will be dearly missed ❤️
