

Donna Marie Spehar

June 7, 1949 - August 21, 2023

Donna Spehar passed August 21, 2023 after a three year fight against cancer. She is survived by her loving husband George S. Spehar Jr., her children George S. Spehar III and Nicole Naccarto, and her grandchildren Andrew and Milo Spehar and Josie Naccarato. She will be rejoining with many beloved family members that have already transitioned including her parents, Sam and Maria D'Angelo and her brother John D'Angelo.

Donna loved children and volunteered at the schools of both her children. She was a loving grandma who enjoyed playing games and showing her grandkids her garden. She enjoyed cooking and gardening. She loved watching the birds, and even the pesky squirrels, come to her many bird feeders and baths to enjoy a snack and a splash.

She is sorely missed by her husband George who will always remember her as a modest woman who blushed at the notion she was something special. His greatest wish was that they could have shared more than the 54 years they had.

The family requests that, in lieu of flowers, donations be made in Donna's name to Miracle Hill (<https://miraclehill.org/give/>) or a charity of your choosing that benefits children.

A small memorial service will be held September 24th, please contact the family for details.

“ Dear George and family,
On the time Ray's sad message about Donna was coming in, I just was looking at some old photographs from 1967 and I even found some soundrecordings of that time, were John and Donna are singing and making fun. It looks if I had some premonitions. I still remember me Donna as a beautiful young women with the most incredible smile, when she visited us in 1964 and in 1967.
We deeply grieve with You and the whole family and certainly I will visit our Holy Virgin in Tongeren and pray for them and all of you.
With our heartfelt sympathy,
Dany, Ann and family Lousbergh from Belgium
