“ Dear Alan , We were sorry to learn about the loss of your precious Mother. We have wonderful memories that go back many years of both Doris and Charley. Whenever we would visit Apalache Baptist with our family they were always there. Both of them always seemed so happy to see us as we were them. Prayers for you and your family.

“ Truly a great lady at all times. I've missed her at church. She and Charles never missed a service when he was alive. She always dressed so nice and spoke so softly .
