“ *Today is the day I try to focus on my new normal. Really want my old normal back. But the lord has other plans, although we can't ask why.. just trust him and his decisions. I really feel like I want to be with my family.. mom dad gram brothers niece... today I feel like what do I have here on earth?? Just over thinking.. I know I have a lot of people who love me.. I love them.. I have no kids, no mom or dad.. today is a day I wish I can throw my arms up and just say take me.. I'm ready.. I know it's just pain talking.. I have a wonderful boyfriend, extended family and friends.. although I wonder about some of the "friends".. today the pain is overwhelming.. I keep telling myself "I'm strong".. but am I? Not at this moment. I miss my grandma, but I REALLY miss my mom, Marge Kenney please give me the strength to get thru this!!*

“ *She threw aside the ties of blood and still called me granddaughter, and for that we were all a family; and she had 2 amazing great granddaughters got to know her and love her. You were loved. Go in peace, Grandma. Your fight is over, your pain is gone, we've got the watch now. All is well.*

“ *Mom I miss you so much!! You were my world! My heart! My life!! This is so hard for me. I take comfort knowing your not in anymore pain. It killed me to see you hurting and I couldn't take away your pain. You were my best friend. I'm gonna miss calling you everyday. I can still talk to you but I won't hear your voice. I love you!! May you Rest In Peace. I know you are my angel now and I know you will watch over me.*
