“ R.I.P. mom. Going to miss your smile, your laugh. Going to miss picking on you and saying your going to beat my butt. Mostly, I'm going to miss you and your love..the love you gave us all. I still look back at our morning coffee time when I went to Florida...it was just you and I. There is so much I can write about you and what a wonderful mom and person you were. I'll keep you in my heart and know that one day I will see you again. I love you so much mom!
