“ Hey, birthday love, I think of you
On days both dark and sunny.
You bring me joy in every thought,
My precious, loving honey!

So be my love for all our lives,
And I'll be your love, too;
Each birthday is another chance
To say, "I love just you!"

“ He was a great uncle. Even though we didn't talk much he was still
a big part of all of our life's. We just didn't realize how much until he
was gone. We will all miss you Uncle Drew, and we will take care of
Kroctos for you. I hope you're happy with Gunner and all of our
