“ Dear Mr. FRED, Ken, and family
My thoughts and prayers are with you and your family as you celebrate your wife and your Mother's incredible life while missing her physical presence. I have many special memories of her and my kindergarten days. I remember her teaching while Mr. Fred was outside cutting grass. She would have special treats for different seasons....her warmth, her talents, her Christian walk are greatly missed. But thanks to our Heavenly Father, her Christian influence remains....

“ Dear Fred, I am still stunned to hear the news of sweet Edith Ann. We had shared all our school years together from first grade on. So many memories they would fill up several books. If I had known earlier I would have been there. Then the years that follow hold great memories of experiences at our High School reunions!
Just know that you and the family will be in my thoughts and assuredly in my prayers.
In His Love and Mine,
