“ Barry and Family, I want to share my condolences to you all and know that Terri has a special place in my heart. From the moment I met Terri, we connected and our bond grew daily. God has received a beautiful and special Angel that we all will miss. Terri will be cherished by me and by so many others. Terri, I love you always and you will always be in my heart! I miss you so much but I know that you are at peace and that brings peace to my heart. You are such a fighter and I know that you will keep Heaven in their place. Rest in peace and know that you will always in my heart! Love you always, Yolanda and family

“ To Barry and others of Terri's family, please accept the Browning family's sincerest condolences in the loss of such a special person. Marisha, Mandy and I knew Terri as a true professional in her job, a woman who loved her family and a friend that always gave us a smile. Terri will be missed by so many people, but she leaves this world better than she found it...and that is a wonderful legacy! R.I.P., Terri.
