

Erin Lynn Bochette

September 2, 1996 - December 8, 2024

Inman, SC – Erin Lynn Bochette passed away on December 8, 2024. She was the daughter of Daniel and Connie Bochette.

Born on September 2, 1996, she was the oldest of three children. Erin was born with a shining personality and was always unapologetically herself. She was an overflowing bundle of talent that she expressed at an early age through art. She received many awards through the years and had her art displayed at the Chapman Cultural Center. Erin made a career out of her artistic abilities and enjoyed her apprentice position at The Tat Cave in Inman. She was only a few days shy of completing her apprenticeship and living out her dream of tattooing.

Erin's happiness would radiate throughout any room, and you would often see her doing a little dance – whether it be for a new TikTok trend or just a happy dance. She enjoyed singing and cooking and late-night walks around the town with her sister and her dog. She also loved to ride her motorcycle and was a member of Topo Mobin – a group she would ride with often. Above all talents and hobbies, Erin loved her animals. She was a fur parent to a dog, Gravy; and two cats, Onion and Finn. These animals were her babies and you'd often catch her having full conversations with them at the end of a long day. Erin's smile, endless talking, and warm laughter will be deeply missed.

In addition to her parents, she is survived by her sisters, Haley and Danielle Bochette; her grandmother, Doris Giese; grandparents, Frank and Gayle Bochette; as well as many other loved aunts, uncles, and cousins.

She is preceded in death by her grandparents, Johnny and Jessie Dover; and her Papa Apple Giese.

The family will receive friends on Monday, December 16, 2024 from 11:00 AM – 12:00 PM at Living Waters Funeral Home & Crematory. A Celebration of Life will begin at 12:00 PM.

“ My nickname for Erin when she was younger was, Dooley. I got it from *The Andy Griffith show*, I watched it a lot at the time. Just a couple of days ago I put the TV on *Andy Griffith*, and guess what episode came on. The one where I got her nickname. I think she was here with me one last time. Daddy loves you, Dooley.

“ My daughter from Ohio visited over Thanksgiving and her and I both had the honor of being tattooed by Erin. Normally the owner does my artwork but was busy that evening and suggested we have Erin do our tattoos. I knew Erin from previous visits to the shop so I knew we were definitely in capable hands! Both my daughter and I are honored to be able to represent the talent that Erin possessed. Her death is such a tragic loss to humanity and she will be greatly missed. May all of her family and friends find peace and healing during this difficult time.
