“ Sending my condolences to Donna and Suzanne and everyone that was lucky enough to have known or been a part of of this amazing womans life. I remember her from when I attended the Startex Church of God and became friends with Donna, I remember spending nights with Donna and the love that Ethel had for us and then when my son Michael was 2 years old I remember Ethel had a baby sitting/nurse service going on and us taking and/or picking him up from her house and how much he loved her as well...My own mother loved her as well and I am sure they are rejoicing the Lord in heaven just like they did at Startex...I will continue to keep you all in my prayers.

“ So sorry girls, I know you will miss your dear mom. She touched so many lives. The Burger family is all together again now. I have fond memories of times spent together with Dot, listening to her expressing her love for Ethel & all her brothers & sisters.

“ Suzanne and Donna
I am so sorry to hear about your Mother. She was such a sweet lady. I know you will miss her but take comfort in the fact that she is now at home.
She is now with your Daddy, Barry and other family members and free of pain. Praying for the family. Love and hugs, Florence
